

## Week Beginning 20<sup>th</sup> September 2021

We have accumulated various boxes for the children to use their imagination and create whatever they wish. This may involve an amount of glue and paint so please ensure they wear clothes you don't mind getting messy, as usual please.

The baby photos and details that we have received are fabulous, thank you, please keep them coming. It gives us the opportunity to talk about measurements and weights. We are fortunate to have been given baby weighing scales that we will use this week to weigh the dolls in our baby clinic.

Monday and Wednesday this week the children will have the opportunity to bake and bring home cupcakes. Staff will also be busy baking because on Thursday and Friday we will be selling our delicious cakes to raise money for a cause we all hold dear to our hearts. Many thanks.

**MACMILLAN  
CANCER SUPPORT**

Devon Health Services are recommending downloading the free [HANDi paediatric app](#) to support with identifying childhood illness.
