

Week Beginning 11th October 2021

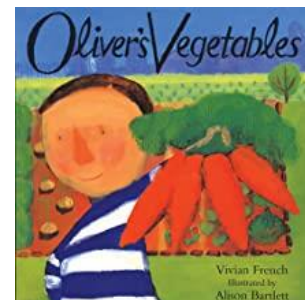

We have been recognising emotions and how they look on our faces and we identified worry. We talked about what worries us and that it helps to talk to an adult, parent, grandparent, ladies at preschool so we can help.

This week we celebrate Harvest and appreciate the produce from the land. We shall be walking down to the village allotments to see what is growing.

We shall be looking at different vegetables, chopping them up to make soup for children to try at some of our snack times.

We finish the first half of this term on Friday for a two week break and return on Monday 1st November.

Children will be bringing home an Autumn Watch sheet. If you are out and about please look out for signs of Autumn.

Also a photo of any numbers they find in our environment.

Please see attached poster for a pick your own pumpkin event.

Have fun!

PYO

PUMPKINS
