

Week Beginning 13th December 2021

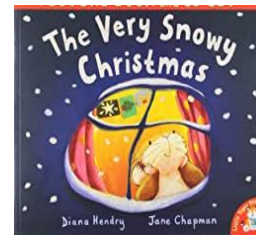

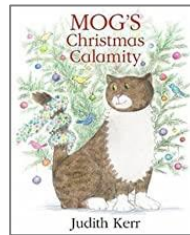

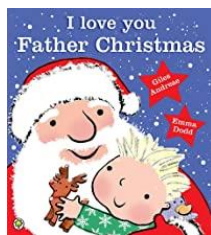

Our role play area is looking very festive and cosy.

We have a countdown of sleeps until Christmas which will support the children's concept of decreasing numbers. The children will be making reindeer food to put out on Christmas eve.

We are hoping that the weather will be favourable on

Wednesday afternoon for the Christmas sing along.

Please be aware of the previous email concerning a positive Covid-19 test in the setting. Please wear a mask and respect others space by keeping a distance from people that are not in your own household.

It has been tricky times and we appreciate you informing us of your Childs absences, the reasons for it and if any testing that was done.

Unfortunately, we are unable to have extra children in on Friday afternoon due the safety of bringing in staff that are not currently with us this term. We will make sure on your child's last day we will give them a Christmassy send-off.

Please take all your children's bits from their trays and pegs.

We start the spring term on Tuesday 4th January 2022

We wish you all a very enjoyable Christmas.
