

## Week Starting 4<sup>th</sup> January 2022

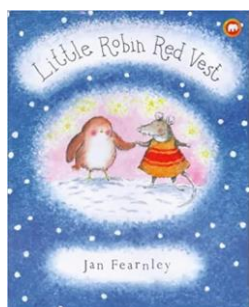

We hope that you enjoyed your Christmas and wish you all a very Happy & Healthy New Year!

A big thank you from us all for the lovely Christmas gifts we received.

We welcome the children back to the Spring Term as well as our six new children that will be joining us.

This week the children will have lots to tell us and they will have the opportunity to write letters to thank Santa for his presents.

There is a variety of physical equipment for a work out to get us back into shape.

We will be looking at 'Little Robin Red Vest' which is about a sweet little robin that shared his different colour vests with his friends and how he eventually got his red vest.

We have art activities that link to the story.

If your child is of the age to start school this September you do need to complete an application form at [devon.cc/admissionsonline](http://devon.cc/admissionsonline) by 15<sup>th</sup> January.

We shall be continuing with procedures to keep us all as safe as we possibly can. Your support by respecting others' space, wearing masks and saying goodbyes to your children in the cloakroom is very much appreciated.

As always please keep your child at home if they are poorly and please keep us informed of any test results.

Many thanks
