

Week Beginning 14th February 2022

Last week the children had a lot of interest in the stopwatch. As well as using it in our Olympic Stadium, they were timing each other to run from the gate to the fence, then around the climbing frame, also how long it takes to climb the ropes, through the tunnel and get to the bottom of the slide. We shall use the wooden gullies this week, to experiment to see how fast different items travel down the slopes.

We have some sticks and a puck to introduce Ice hockey into our rink in our stadium.

The Book Trust have sent us some Bookstart Treasure Packs to distribute to eligible children that have not received them in the past, but are now the correct age.

We shall be sending home blank WOW certificates for you to inform us of any moments/achievements of 'wow' that may occur at home. Children love to tell us all about their successes and we enjoy celebrating their accomplishments.

Next week is the Spring half term break

We return on Monday 28th February. Enjoy!
