

Week Beginning 31st January 2022

Apologies for the disruption of normal staffing due to illness, but the children are in very capable hands, we appreciate your support and understanding.

Still with winter in mind we will talk about the winter Olympics and thinking about the different sports that will take place.

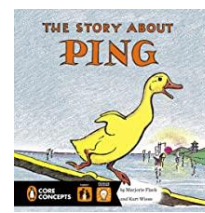

Please could you send back the winter bird watch sheets as and when they have been completed. This will give the children the opportunity to talk about and identify the birds they have spotted. Thank you.

This week we will be celebrating the Chinese New Year, it is the Year of the Tiger. There will be a tray of noodles to play with using chopsticks, also we have children's traditional costumes for dressing up.

The children can make lanterns, paint their own tiger and we shall create a dragon dance.

They will be learning a new song, 'Gung Hay Fat Choy'.

(Wishing you good fortune and happiness)

Many thanks
