

Week Beginning 7th February 2022

This week we shall be using the role play area to hold some sporting events. We shall be looking at the rings on the Olympic flag and their meaning also the flags of some of the different nations taking part.

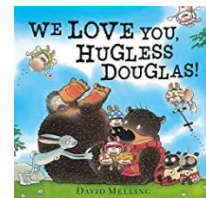

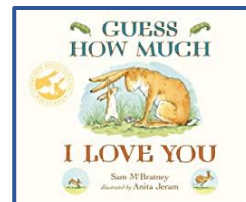

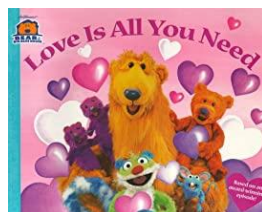

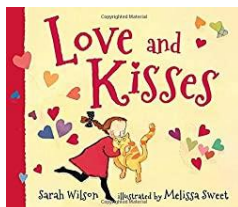

We shall be using a stop watch and hold medal ceremonies. We have some unusual alpine skis for the children to look at.

We have moved the hay bales and farm equipment to a hut outside but we still have some farm books to read and activities for the children to explore inside.

The children will have the opportunity to create Valentine cards. We shall be asking them who they love and why.

We hope to have all the staff back this week fit and well.
