

Week Beginning 21st March 2022

We shall be exploring the sense of taste.
Children will have the opportunity to taste different types of flavours.

This weekend it will be Mothering Sunday.
The children will be creating cards and making a little gift.

Our role play area will have a stage and seating for an audience to watch

Saplings Got Talent!

For the Summer term we are opening Wednesday afternoons and will be using the school environmental area for outdoor learning.

Please contact us for more information and booking.

For children that will still be with us in September it would be very helpful for our planning to know if you would like to increase their sessions as soon as possible as we are about to confirm

places to new starters. Thank you.
