Year Three Autumn Term 2026

Here are our topics for this half term. Please use it to support your children's learning. They are welcome to bring things into class that are related to our topic and if any adults would like partake in any way, please see your child's class teacher.

As Artists we will:

Learn about the artist Andy Goldsworthy and create our own art using natural materials. Look at using the environment for art.

As Citizens we will:

Be getting to know each other and share ideas about what it means to be part of our school community.

As Historians we will:

- Learn about how people in the Stone Age lived.
- Understand the significance of archaeological discoveries like Skara Brae in helping historians understand the past.
- Explore how life changed between the Stone Age, Bronze Age and Iron Age.
- Study Iron Age Hill Forts.

As Writers we will:

Learn to write poetry using works of art as our inspiration. We will use the text Paint me a Poem by Grace Nichols as our model text.

The Big Questions:

What are the main types of Rock on the Earth?

How did Britain change between the beginning of the Stone Age and the end of the Iron Age?

As Scientists we will:

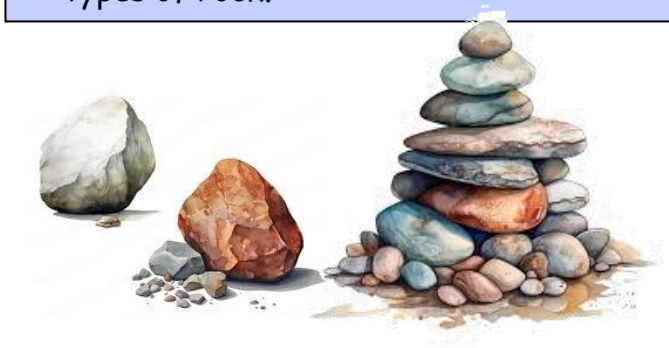
- Understand that the Earth is made of different layers.
- Learn about the different types of rock and how they are formed.
- Describe how fossils are formed.
- Recognise that soils are formed from rocks and organic matter.
- Begin to relate the properties of rocks with their uses and classify different types of rock.

As Readers we will:

Read The Enchanted Wood by Enid Blyton. We will engage in class discussions and develop our skills of prediction, retrieval, inference and summarising.

As Computer technicians we will:

- Learn how to Code; using flowcharts, timers and repeat commands.
- We will learn how to test and debug.



As Linguists we will:

Learn how to introduce ourselves in French. We will learn numbers 1-10 and some colours.

As Athletes we will:

Take part in our outdoor P.E sessions every week.
